Change the lives of your Spanish-speaking students!

A unique digital literacy program for Spanish-speaking students grades 2-12 with thousands of authentic Spanish language books and short texts that builds reading comprehension skills in three key areas in an engaging, gamified environment!
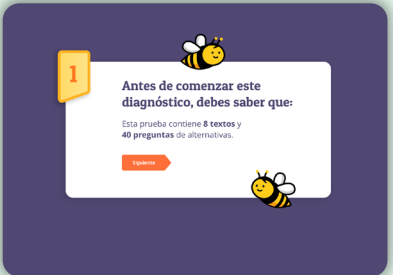

Take Their Pulse

The Student Survey feature lets students understand their own needs, habits, and preferences to facilitate their reading experiences.

Knowing their own perspective assists students and teachers in establishing a starting point in growing their interest in and love of reading.

Preguntas:
1. ¿Te gusta leer?

Si

No

A veces

Preguntas:
2. Prefieres leer en:

Libros

Computador

Celular

Tablet

SIGUIENTE PREGUNTA

Assess Starting Point

1

Antes de comenzar este diagnóstico, debes saber que:

Esta prueba contiene **8 textos** y **40 preguntas** de alternativas.

Siguiente

Knowing a student's starting point sets them up for success!

EL VIEJO WONUSHI

En cualquier camino que suba de valle a cordillera podrá verse alguna enorme piedra al coche del cerro, casi colgando, a punto de carrosencima o cerrarnos el camino. Siempre que paso junto a una de esas piedras gigantescas pienso que pudo ocurrir allí esta historia, contada por personas tan respetables como don Ramón Laval.

⊘ **Pregunta 1 de 5:**
¿Cuál de las siguientes emociones no se ve reflejada en este texto?

Preocupación

Alegría

Sorpresa

Envidia

Responder

Diagnostic assessment places students in the appropriate reading level with with a variety of different texts and questions.
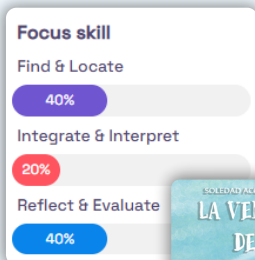

Gain Insights

See both class student progress and engagement through a variety of meaningful data points.

Formative assessment feature through both the Texts and Desafíos short text features.

Inform Instruction

Set instructional goals based upon recommendation or by focus skills and select numbers of short texts!

Assign texts based upon areas of needed focus.

Focus skill

Find & Locate — 40%
Integrate & Interpret — 20%
Reflect & Evaluate — 40%
