LITERATU SCRIBO 2024

DEVELOP A STRONG
STUDENT PROFICIENCY
IN ENGLISH WRITING

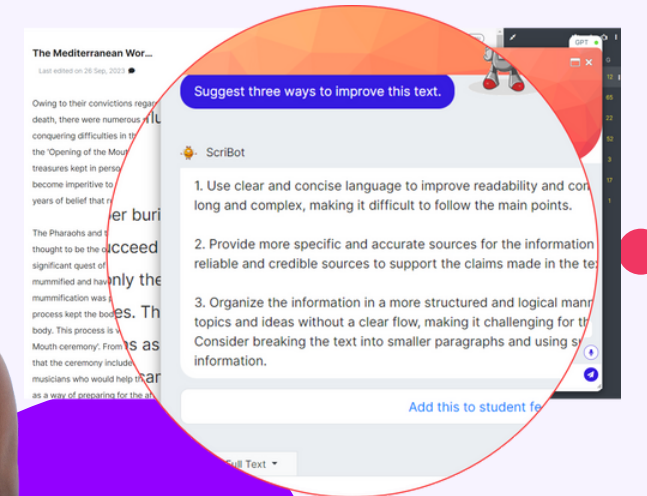

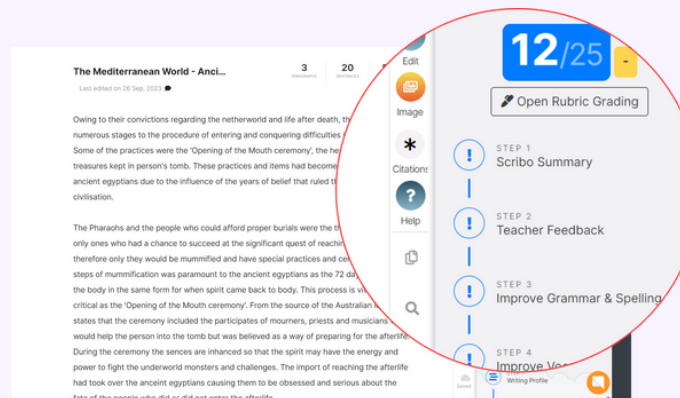

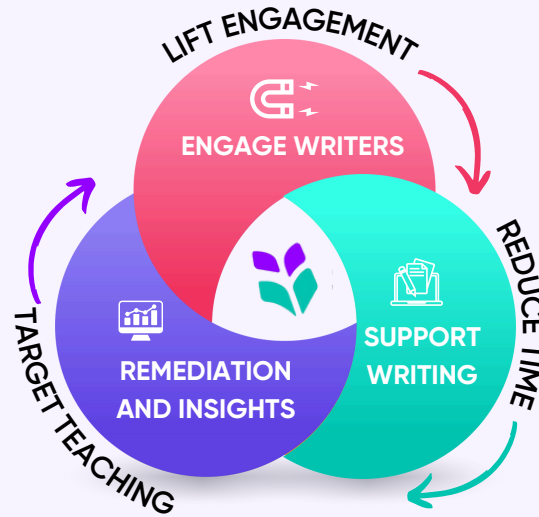

Scribo AI is like having an 'Additional Instructor' in every classroom.

THREE KEY CHALLENGES

The three key challenges facing every English and humanities teacher are:

- The time needed for **increased workloads**
- Lifting student **engagement and inclusion**, and instilling a **passion** for writing
- Having the insights to help **remediate missing skills for each student**

Scribo AI solves these key challenges alongside every teacher and student.

BETTER WRITERS

Advance the 'write' skills with stronger student engagement and more support

ENGAGE THINKING

Scribo delivers a structured writing environment, promoting a 'think first' approach to writing across all genres.

WRITE MORE

Allows students to shape ideas into well-written content using planning to enhance clarity and thinking.

INSTANT FEEDBACK

Students receive tailored feedback to enhance their writing, boosting engagement and saving teachers time.

MAKE PROGRESS

Students drive self-improvement through feedback, using constant revisioning to impact text quality.

SEE RESULTS

Teachers track improvements, saving time for one-on-one tutoring. Students love the support of targeted feedback.

"Education is not the filling of a pail, but the lighting of a fire."
