

Ellevation

ELL program management has never been easier.

The most comprehensive software specifically designed for ELL educators and the English Learners they serve.

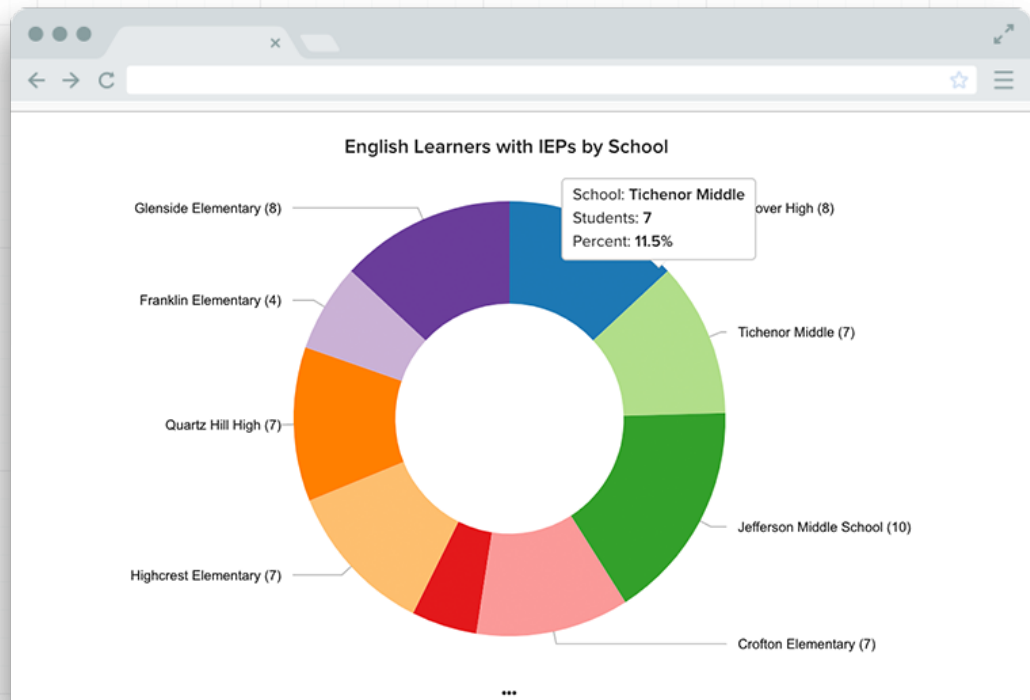

Data

Get to know your students in depth and at a glance

Get to know your students more deeply. Easily view a student's level, status, history, and take and record notes. We capture everything you need to know about your ELLs, all in one place - **imagine that.**

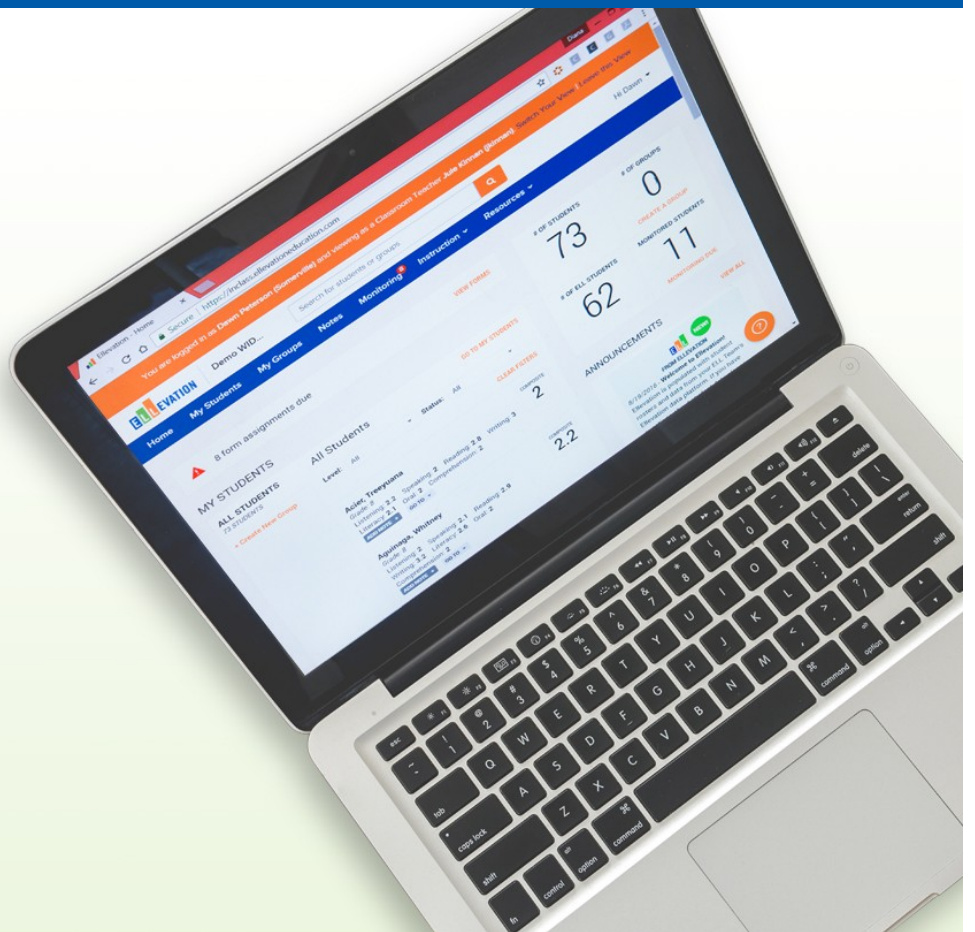

Custom Reporting

Answer any question that comes your way using Ellevation's easy-to-use analytic and reporting tools. Sub performance? Proficiency trends? Whatever you can imagine, we've got you covered.

“ Teachers who don’t understand second language acquisition don’t know how to meet the needs of English Language Learners. Ellevation provides teachers with the tools they need to build capacity for language instruction. ”

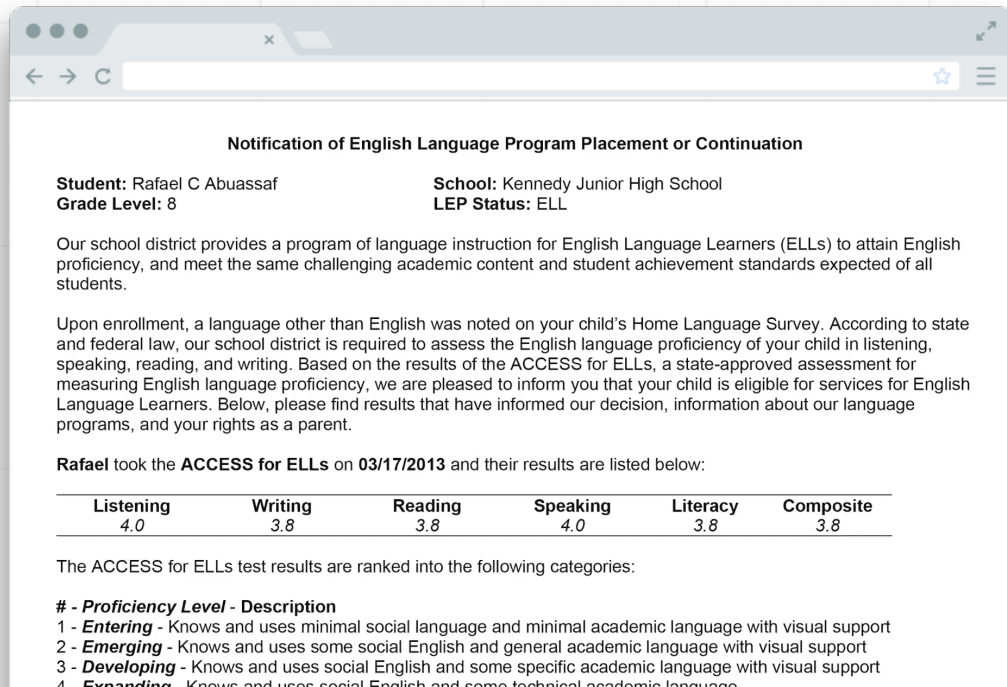

VICKY SALDALA, ESOL DIRECTOR, BROWARD COUNTY PUBLIC SCHOOLS

Reporting

Streamline heavy administrative

More than likely, a huge percentage of your team’s time is spent managing compliance needs and searching for student data. Ellevation lightens the burden by unifying disparate ELL data sources, capturing key ELL decisions, monitoring pre- and post-exit progress, and sharing information with stakeholders.

Parent Letters

Automatically generate Title III required letters in 34 different languages with a single click.

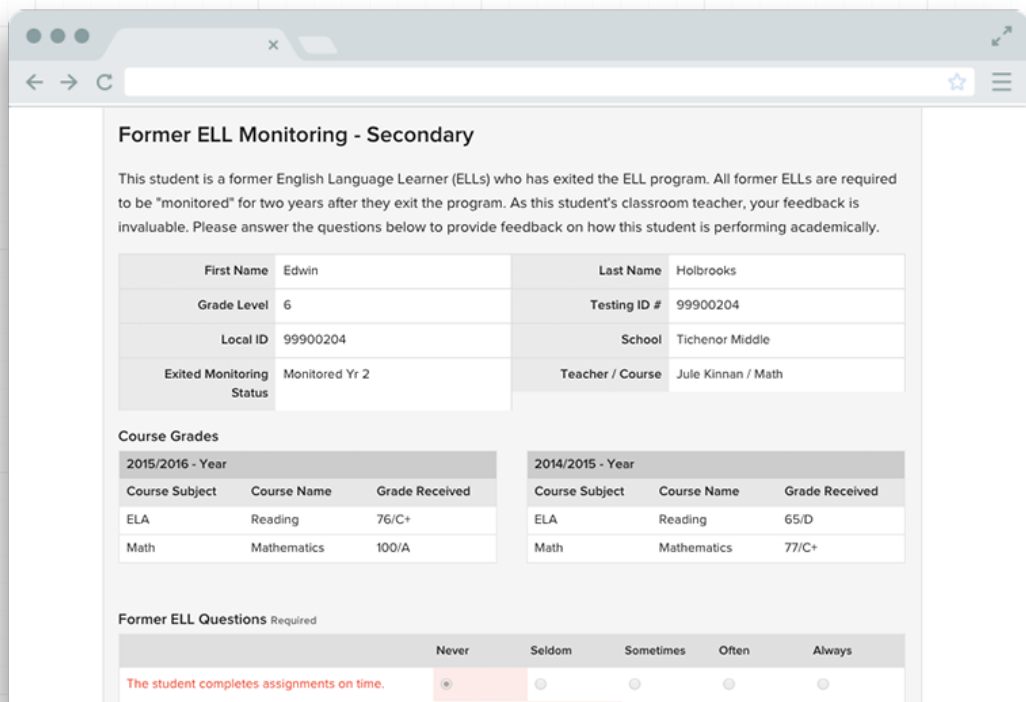

“ When we want to look at aggregated data, or student progress over time, or outcomes for kids, or instructional plans... or anything we could possibly imagine, it’s housed in the tools of Ellevation. ”

Effective collaboration between ESL/bilingual specialists and classroom teachers

Sharing student information is often time-consuming and inefficient. Ellevation supports customized digital monitoring forms for online completion, digital document uploads for student records, online feedback forms that are easy for teachers to complete, and more.

Former ELL Monitoring - Secondary

This student is a former English Language Learner (ELLs) who has exited the ELL program. All former ELLs are required to be "monitored" for two years after they exit the program. As this student's classroom teacher, your feedback is invaluable. Please answer the questions below to provide feedback on how this student is performing academically.

Implement Digital Monitoring

Manage your monitoring process for current and exited ELL students by sharing customized digital monitoring forms with teachers for online completion.

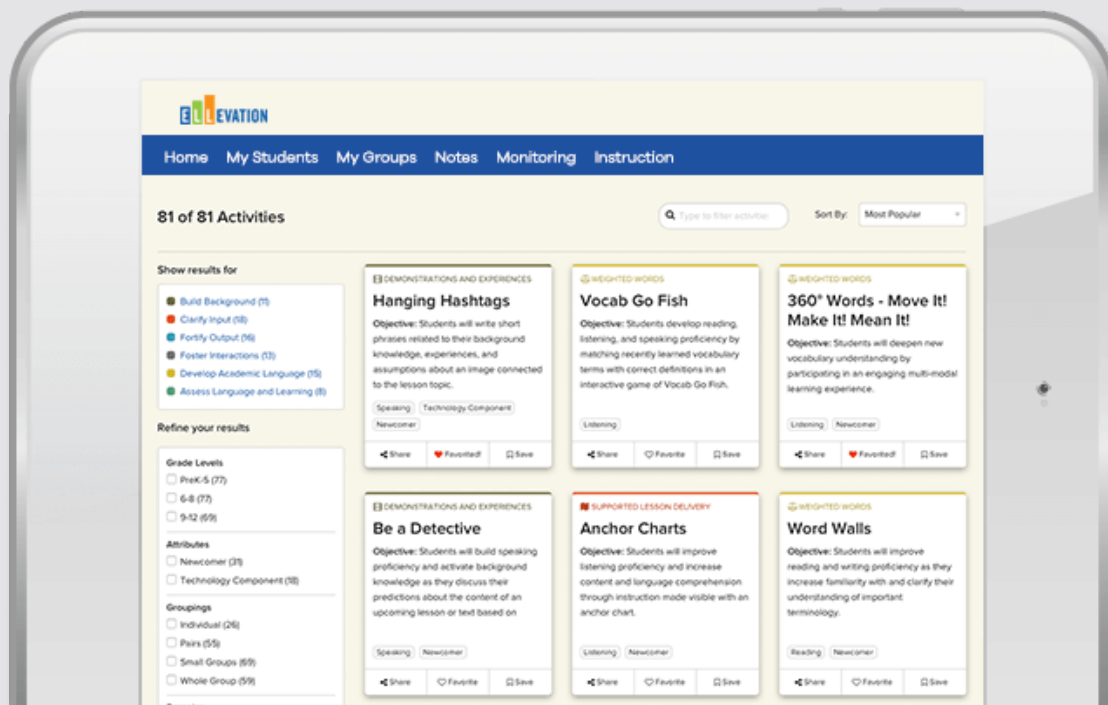

“I have a chance to walk down to the ESL room to tell a teacher what happened in class, but I can make a note in Ellevation and it’s available for all teachers that have that student.”

MATT WILSON, 4TH GRADE TEACHER, ALABASTER CITY SCHOOLS

Instruction

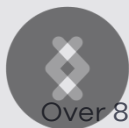

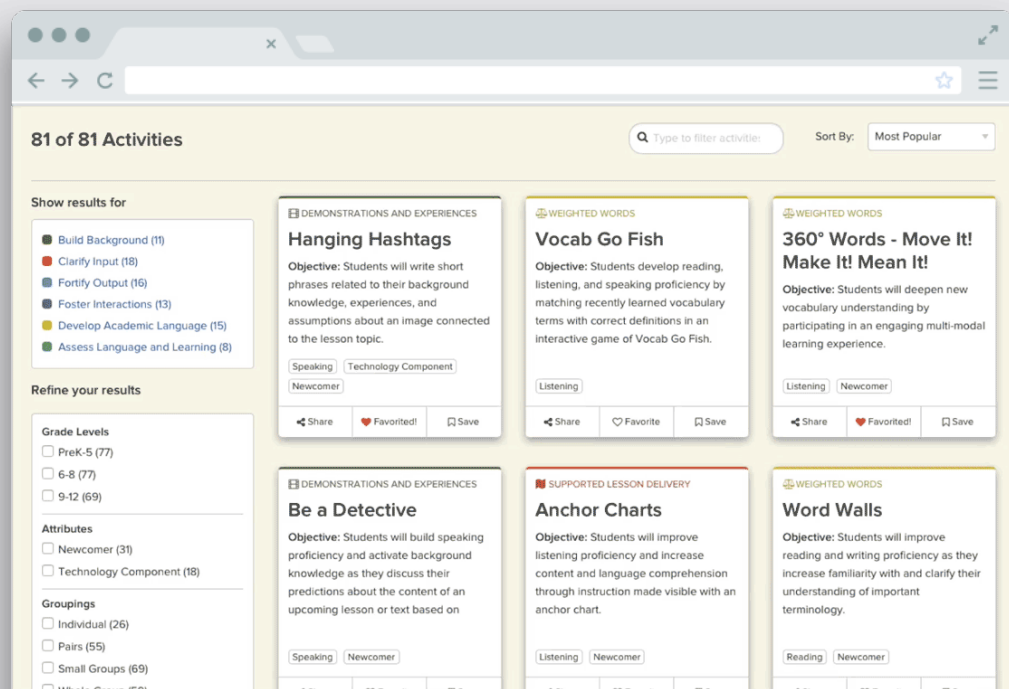

Inform & differentiate instruction for all ELLs

Ellevation offers over 80 classroom activities that teachers can incorporate into lessons, ensuring best-practice instruction for ELLs. Teachers are empowered to personalize instruction with key student information, language supports, and instructional resources.

Effective ELL instruction

Teachers can **find, save, and recommend** specific activities for use with particular students or classrooms.

Learn from Echevarria, Zwiers, Boals and Others.

Over 80 classroom activities in our digital toolkit were written by the top language acquisition experts in our country. Each activity allows classroom teachers to easily incorporate language instruction into existing lessons and engage students while reinforcing the rigor of the core curriculum. Ellevation's framework for language instruction easily fits into educators' lesson planning processes and supports professional development.
