

Comprehensive Elementary Course

In Phase One of our Comprehensive Elementary Course, you'll bring social emotional learning practices into your classroom.

Responsive Classroom is an evidence-based approach to teaching that's deeply rooted in social-emotional learning (SEL) and focused on engaging academics, positive community, effective management, and developmental awareness.

Benefits

- Research-based approach associated with higher academic achievement
- Reduction in problem behaviors
- Improvement in students' social skills
- More effective teaching through the use of practical and proven strategies

"This course helps you truly understand the mindset of a great teacher. It's necessary for anyone who wants to be culturally respectful, and help their learners feel significant and loved." - Christina Wyatt, Teacher

Phase One: Elementary Core Course Details

Learn to create safe and joyful learning communities where every student can thrive—while helping your students develop strong social and academic skills. In four engaging and interactive days, you'll discover how to:

- Begin and end the day positively with Morning Meeting and closing circle
- Integrate energizers and interactive learning structures throughout the school day
- Teach students how to complete academic tasks, interact with classmates, and maintain routines with Interactive Modeling
- Establish rules with your students and provide positive structures to support success
- And so much more

Resources: Entry plan (electronic); 30 Responsive Classroom Elementary Essential Bundles; and a Consultant Observation and Feedback Visit, including access to the Kaleidoscope tool and one Quick Coaching Guide set of 30.

No prerequisite. Suitable for grades K – 6.

Both phases of the Comprehensive Elementary Course must be completed within two years.

Call us at 1-800-360-6332 x151 to book this package.

Comprehensive Elementary Course

In Phase Two of our Comprehensive Elementary Course, you will ensure continued development of SEL knowledge and skills.

Benefits

- Build on the Elementary Core Course foundation and deepen your mastery of SEL principles
- Work with your peers and an RC consultant to problem-solve and plan for ongoing challenges in the classroom
- Learn advanced strategies for dealing with student misbehavior

"I am excited to implement my new learning as well as model and bring about more cohesion and implementation for my staff." – Jason DiCarlo, Administrator

Phase Two: Elementary Advanced Course Details

The Elementary Advanced Course* is designed to increase your knowledge and expand your teaching strategies and practices to strengthen the Responsive Classroom approach you're already using. In this four-day, interactive training course, you will learn new methods and strategies including:

- **Engaging Academics**, such as Teacher Language, Open-ended Questions, Academic Choice, and Guided Discovery. We'll also cover the Language of Learning, including core thinking, speaking and listening skills.
- **Effective Management**: Classroom Organization, as well as Effective Behavior Management tools such as the Problem-Solving Conference and Role-Play
- And much more

Resources: One Consultant Observation and Feedback Visit, including access to the Kaleidoscope tool and one Quick Coaching Guide set of 30.

***Prerequisite:** Elementary Core Course.

Both phases of the Comprehensive Elementary Course must be completed within two years.
