

## CURRICULUM & STANDARDS

ABCmouse.com *Early Learning Academy's* award-winning curriculum (<https://www.abcmouse.com/results-and-references/references>) is guided and designed (<https://www.ageoflearning.com/about-us/#program-development-process>) by a highly experienced team of educators and other learning experts (<http://www.ageoflearning.com/about-us#leadership>) who have a deep understanding of research-based principles of effective education for children. ABCmouse has become a highly valued supplemental resource that assists teachers and parents by supporting the achievement of widely accepted standards for young learners. See a high-level overview of our curriculum and how it supports research-based best practices and standards below.

### ABCMouse.com Supports Research-Based Best Practices in Early Childhood Education

Best practice based on research	Research/Source	How ABCmouse.com supports this practice	Specific ABCmouse.com activities
During the ages of 3-5 years of age, children should be increasing their mastery of print related skills and linguistic processing skills.	Center for Early Literacy Learning  <i>Framework for Developing Evidence-Based Early Literacy Learning Practices</i>  <a href="http://www.earlyliteracylearning.org/cellpapers/cellpapers_v1_n1.pdf">http://www.earlyliteracylearning.org/cellpapers/cellpapers_v1_n1.pdf</a>	Children learn the sequence of the alphabet, learn to recognize and identify both uppercase and lowercase letters, and learn the most common sounds of each letter.  ABCMouse.com site books and book apps familiarize children with cover and title page elements, page turning, top-to-bottom and left-to-right text sequence, and the relationship of text to pictures.  Children are provided with ongoing practice and feedback related to print and linguistic processing skills through each reading related activity.	<ul style="list-style-type: none"> <li>- Zoo Letter Line game</li> <li>- Market Letter Line game</li> <li>- Zoo Alphabet Pop and Peek game</li> <li>- ABC Alphabet Song</li> <li>- Basics Letter A Book</li> <li>- ABC's on the Farm book</li> <li>- ABC Blocks Uppercase Letters puzzle</li> <li>- Grocery Grabber game</li> <li>- Rhyming Words Jigsaws</li> <li>- Alphabet Sounds at the Market game</li> <li>- All site books and book apps</li> </ul>
Literacy related skills develop when children are provided with literacy-rich experiences, a variety of instructional practices, and interest based activities.	Center for Early Literacy Learning  <i>Framework for Developing Evidence-Based Early Literacy Learning Practices</i>  <a href="http://www.earlyliteracylearning.org/cellpapers/cellpapers_v1_n1.pdf">http://www.earlyliteracylearning.org/cellpapers/cellpapers_v1_n1.pdf</a>	Children are introduced to new vocabulary and exposed to rich language through a great variety of high-interest activities. These activities include, but are not limited to, fiction and non-fiction books, songs, and the shopping mall, with text accompanying oral language in virtually all cases.  ABCMouse.com uses imitation, modeling, and explicit and implicit instruction to ensure children's learning style preferences are accommodated.  Children have access to many different types of learning activities that teach a very wide range of topics in ways that enhance involvement, curiosity, interest, engagement, and personal connections.	<ul style="list-style-type: none"> <li>- Sounds on the Farm game</li> <li>- Alphabet Sounds at the Market game</li> <li>- Grocery Grabber game</li> <li>- The Sound of Letter A song</li> <li>- The Cat and the Rat books</li> <li>- Rhyming Words Jigsaws</li> <li>- Basics Word family review</li> <li>- Magic Rainbow Traceables</li> <li>- How Plants Grow: Vegetable puzzle</li> <li>- Sports Alphabet match</li> <li>- The Four Seasons song</li> <li>- Zoo Animal Wheel</li> </ul>
