

Let Matific Help Your District

- 1** SIS, SSO and data integrations
- 2** Training and support
- 3** Real-time reports across your district
- 4** Aligned to curricula and state standards
- 5** Proven results

Make Decisions with Data-Driven District Reports

DISTRICT REPORT

Track all students, teachers and schools' progress easily with real time reports

Use admin login to view all schools in one place

Drill down to each individual school's results for actionable data

Plan and allocate district resources for schools requiring additional support

Identify district-wide topics requiring additional instruction, in real time

Develop targeted Professional Development Plans for all educators

Built for Your Curriculum

Can't find your curriculum or textbook, or need a custom alignment?

WE
ARE

[CONTACT US \(/US/EN-US/GUESTS/CONTACT-US/\)](/US/EN-US/GUESTS/CONTACT-US/)

HERE
TO
HELP!

1

Thousands of rigorous,
research-based,
pedagogically- sound activities

2

Assign activities to groups of
students, or let Matific do it
automatically

3

Aligned to YOUR curriculum,
and YOUR preferred
textbooks

4

Choose the best alignment
option for optimal teaching
and learning

Seamless integration with our partners

It's a big priority of ours to ensure large scale
integrations are seamless and painless. Unsure how
to integrate Matific with your Learning Management
System?

WE
ARE
HERE
TO
HELP!

Let's Partner!

We collaborate with your Department of Education, District or Network of Schools to create custom content and alignments. Request a district-wide pilot to see student achievement first hand. Conduct an evidence-based research study across a cluster of your schools.
