social emotional learning

Carousel for Educators

carouselTM is like DuolingoTM... but for SEL!

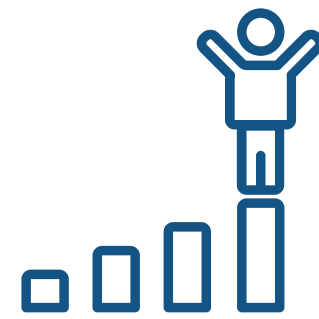

- ✓ For students/youth ages 13+
- ✓ Gamified mobile app filled with dynamic daily SEL lessons & activities
- ✓ Delivered to students' mobile devices
- ✓ Feels nothing like schoolwork
- ✓ Accessible anywhere, anytime

SOCIAL-EMOTIONAL LEARNING

or "SEL" helps children (& adults) acquire & apply necessary life skills like...

Understanding &
managing one's
emotions

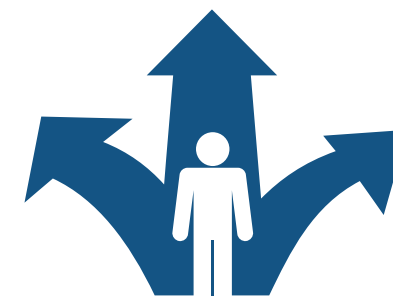

Setting & achieving
positive goals

Feeling & showing
empathy for others

Establishing &
maintaining positive
relationships

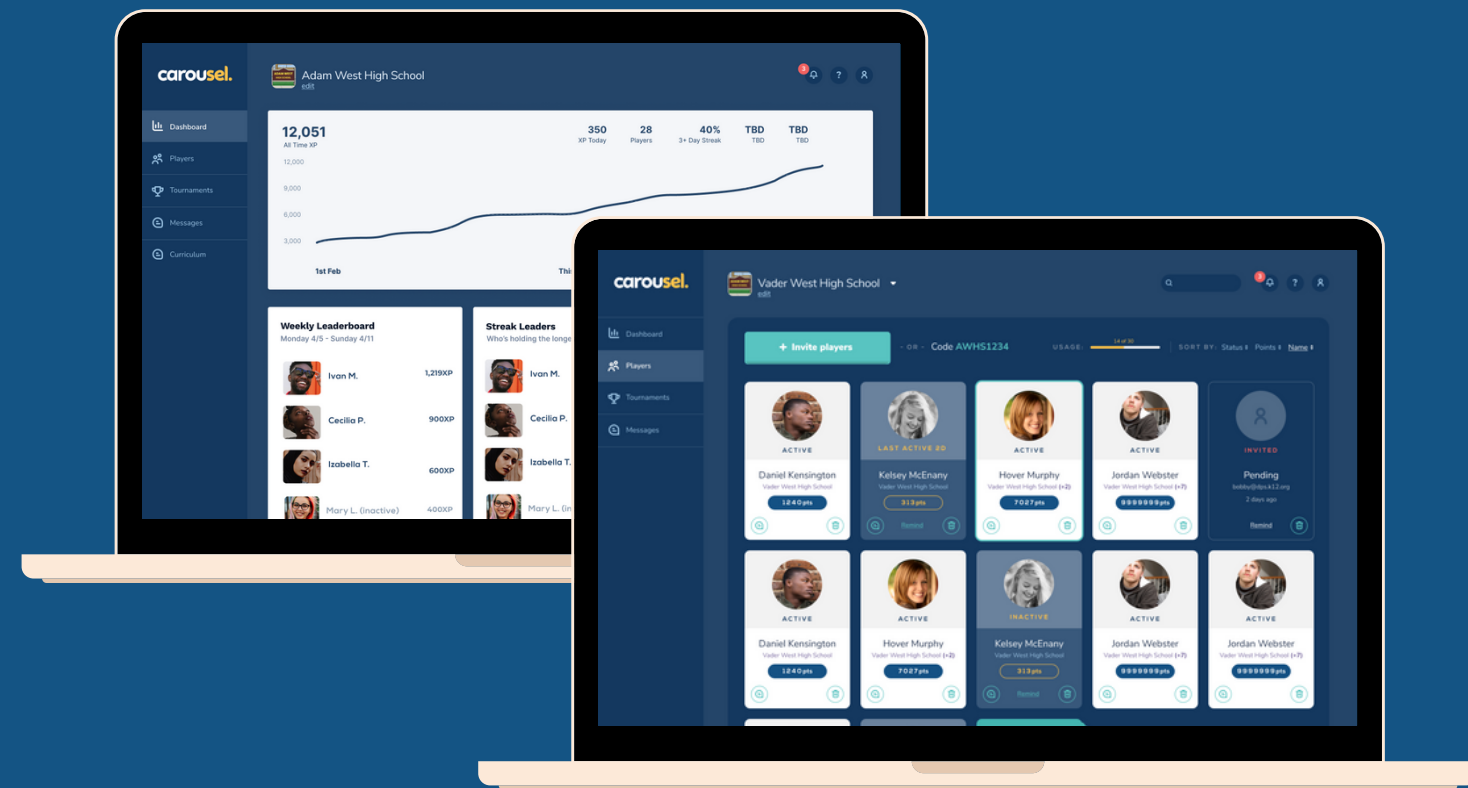

Making responsible
decisions

PROBLEM:

Current SEL solutions are inadequate,
uninteresting & unscalable

OUR PLATFORM

For Educators

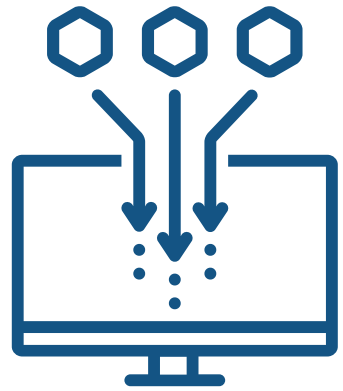

Web-based command center so teachers and counselors can easily manage & deploy SEL programs, track student activity, and see engagement in real-time

For Youth/Students

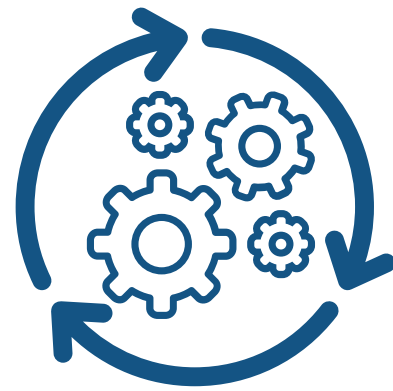

A mobile app to access dynamic, daily SEL lessons & practices delivered directly to students' mobile devices

HOW IT WORKS / WHAT WE DO

We collect...

- Engaging 3rd party content
- Proven SEL lessons & practices
- Advice from real SEL educators
- Feedback from real students
- Published SEL research & data

Then we...

- Break it all down into bite-sized lessons & activities
- Focus on maximizing student engagement
- Package it all together in a beautifully designed web & mobile app platform

Next we...

- Make all content & software accessible to teachers, counselors, school, & district administrators.
- Give educators the tools they need to deploy SEL directly to their students' mobile phones.

Finally we...

- Anonymize & open-source unprecedented SEL data.
- Share findings with everyone for free to improve education & understand greater outcomes for society
- Change the world, & repeat.
