

hihilulu Atelier®

中文工坊

hihilulu Atelier® Chinese Curriculum is an 'All-in-one' Chinese immersion platform for preschools, kindergartens, elementary schools and teachers. It's the first online comprehensive teaching plan with innovative course kits specially designed for children aged 3 to 12 year old.

hihilulu advocates the immersive language acquisition pedagogy. Different from traditional Chinese teaching, hihilulu Atelier® Chinese Curriculum, integrating organically the latest STEAM concept, using age-appropriate animated contents, and fully respecting the features of second language acquisition by children, is constructed on the real-world connected theme learning.

hihilulu Atelier® Chinese Curriculum offers teachers or institutions an intelligent, autonomous and hybrid Chinese teaching and learning platform.
