

REMOTE INSTRUCTION: Distant Learning & Independent Study Services Proposal

Expanding learning opportunities for all students, with an emphasis on assisting underserved, low-income and EL students.

UWLF is here to support you!

1

UWLF can assist Educational entities **continue to deliver high-quality educational opportunities** to students when school sites are physically closed.

2

UWLF provides bilingual **digital and non-digital solutions** to assist low-income students and their families have personalized and engaging learning opportunities from home.

Purpose

Provide **bilingual (English/Spanish) distance learning and independent study** to meet the needs of low-income, migrant, and EL students in grades K-12.

Provide **academic tools and guidance** for parents and students, primarily those who English may not be their 1st language to ensure they have an equal opportunity to learn, succeed and thrive.

Offer **multiple instruction delivery methods** to families, depending on accessibility to devices and internet.

Expand awareness and access for students to other **learning opportunities that are not device-dependent.**

UWLF Online Teaching and Learning Approach

Pedagogy and Practices

UWLF strategies to keep students engaged while learning remotely

- Weekly/daily videos.
- Online tools to monitor ask probing questions (google forms, poll everywhere, google classroom, etc.).
- Learning management system to gauge student learning and plan instructional moves to help students stay on track.
- Work as a group and assigned activities.
- Active learning (Collaborative work, hands-on exercises and individual work time, interactive PowerPoints, videos, podcasts, blogs, etc.)
- Teacher virtual office hours
- Multimedia options for assignments

Delivery Service Timeline

Determine optimal learning method for student.

Enhance remote instruction experience.

1 Initial Family Contact

3 Provide 1:1 direct remote instruction and guidance.

4 Deliver instructional materials & books to those in need.

- ❖ UWLF will **communicate constantly** with Educational entity to ensure **short and long-term goals** are established (pre/post assessments can be generated with final reports).
 - ❖ Academic content will be aligned to meet **program goals and outcomes**.
 - ❖ Individualize and small group interaction will be utilized for proper **student engagement**.
- ❖ UWLF will provide remote engagement opportunities for program staff to discuss **practices, progress and/or adjustments**.

Remote Instruction Timeline

*Timeline is based on a 2-week program.
Adjustments can be made based on actual duration of services.*

INITIAL FAMILY CONTACT

UWLF proposes to assist Educational entity in contacting families via phone to communicate the need for distance learning and steps to follow to engage in an effective remote learning experience.

**PRIOR TO
PROGRAM START
DATE**

DETERMINE OPTIMAL LEARNING METHOD(S)

UWLF will assess individual family circumstances (Wi-Fi capabilities, access to devices, prefer language at home, etc.) to determine optimal learning method for student and offer a combination of learning strategies.

**PRIOR TO
PROGRAM START
DATE**

PROVIDE DAILY REMOTE INSTRUCTION

UWLF will work in collaboration with educational entity to provide direct remote instruction and guidance to each assigned family to ensure student learning plan is implemented. Staff will discuss best-practices, progress and adjustments with each family.

WEEK 1-2

CONTINUE INSTRUCTION/PROVIDE INSTRUCTIONAL PACKETS

UWLF will support with continuation of remote instructional sessions if needed to ensure program satisfaction. UWLF will deliver age-appropriate and culturally-relevant instructional materials and books to students as needed to reinforce learning (particularly, to those without access).

**WEEK 2 AND/OR
PRIOR TO PROGRAM
START DATE**
