

Empowered Educators | Engaged Families

## ENGAGE FAMILIES: THE RIGHT FORMAT FOR THE RIGHT OCCASION

### REACH EVERYONE

One tool to connect with everyone, regardless of technology, family structure & language

### BUILT FOR DISTRICTS

Visibility, metrics & insights to help district measure & drive family & community engagement

### ACTIONABLE MESSAGING

for all that families  
**need to do**

### 1-1 ENGAGEMENT

**connect** via chat, voice  
and video when needed

### NEWSLETTERS

and announcements for  
all **good to know** content

### SUPPORTS IN-SCHOOL & DISTANCE LEARNING

Schedule office hours

Waivers & consents, all digital

Capture needed data

Reach guardians and/or students

# What makes **actionaly** different?

## **Streamline all coordination through #actionablemessaging**

Allowing families and educators to quickly handle administrative tasks, so that can spend time on what matters most, supporting their students and their kids

## **Built to drive engagement for all types of families**

We understand that families are all different. Split households, busy parents, single parent. We help them all engage

## **Reach families on any device, any language & any notification type**

Achieve 100% up to date contact information and response rates from families

## **Prioritize need to do vs. good to know communication**

Helping families cut through the noise of school communication

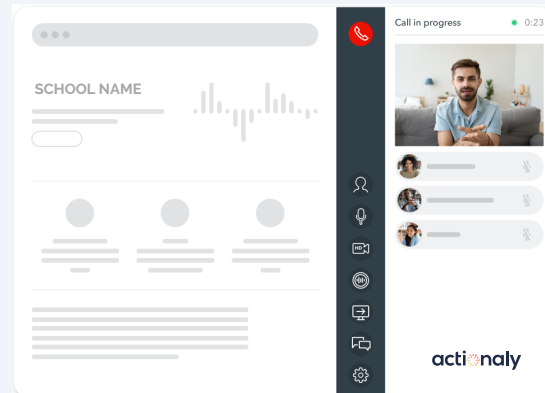

# New partners available through **actionaly**

**Behavioral Health Assessments**

**Voice & Video integration**

**Infectious Disease Management**
