

# Curiously Fun

ONLINE ASSESSMENT, PRACTICE, AND INSTRUCTION FOR STUDENTS

Provides online  
assessment and  
practice aligned to  
current grade-level  
state standards

Recover learning loss with  
our adaptive intervention  
for RTI to master  
academic gaps in vertical  
alignment with state  
standards

## Actively Recover Learning Loss

### Video Explanations

Every time your student answers a question incorrectly, our Alien Explanations provide specific video feedback for that exact question.

### Individualized Learning

Every student enjoys a different experience tailored to their individual learning gaps. Students always focus on their biggest areas of need.

### Dozens of Rewards

Rocket Races, Alien Ranking Cards, Galaxy Stars, Alien Avatars, Rocket Blasters, Playable Rockets, Reward Videos, Certificates, 20 second quick games, and so much more!

### Adaptive Intervention

Try Liftoff with your at-risk students to help find their level, work at their level, and quickly rise to grade-level on specific skills and standards.
