## What people say about our resources and tools

“After interviewing people, after cold-calling and doing all this stuff, you realize—wow. I can really do it. I can really reach my goal and be who I really want to be.”

AVID Program Student  
The Roadtrip Nation Experience

“It opened my eyes to seeing that I can really be someone that I’m proud of.”

High School Student  
The Roadtrip Nation Experience

“I often felt like I couldn’t relate to anyone around me in my field because I came from a low-income, first-generation background. Getting to meet someone who came from my background and made it to where they are meant the world to me.”
