

How it works

A cohesive MTSS/RTI whole-child platform that goes beyond data aggregation and supports continuous improvement.

Prolific helps districts build a cohesive and coordinated system of supports. Through its exceptional user interface Prolific:

- Promotes **systematic implementation** of a multi-tiered system of supports program and dosage
- **Provides feedback** on essential system components to promote communication and continuous improvement
- **Focuses on student growth for all stakeholders** reporting at the student, class, grade, school, and district level with advanced filtering and disaggregation

Ensuring you get the most out of Prolific, our implementation experts deliver best-in-class implementation and ongoing support.

Discover the Sourcewell Technology Advantage

Seamless integration. Easy access to assessments.

Tool agnostic, Prolific seamlessly integrates with your district's student information system (SIS) and preferred assessments and interventions. Staff access is managed via your SIS and data is updated nightly, providing a single source of truth.

Prolific seamlessly integrates with student information systems including:

- Blackbaud
- Infinite Campus
- PowerSchool
- Skyward
- Synergy

Prolific provides a broad overview of current status for your building — providing efficiency, clarity of purpose, and insights for action within your system. Prolific easily pulls in assessment data from platforms including:

- Acadience
- ACT
- AIMSweb
- College Board: AP, SAT/PSAT, Accuplacer
- FastBridge
- Fountas & Pinnell
- NWEA
- Renaissance STAR
- State Assessments
- Teaching Strategies Gold
- WIDA: Access
