

The Powerful Learner Profile

A comprehensive view of the 12,000 hours of a student’s learning journey captured in a multi-dimensional Digital Portfolio

Kiley Williams

Aspiring to be a Developer – Interested in Performance Art

As I think about my future, I see many possible paths and while I’m only a junior in high school I think it’s never too early to begin thinking about a career. I really like coding, making short animated films and performing.

AnalyticalPatienceFocusSocialDrive

Assets

Get to know your students and let your students know you with a quick assessment. Understand what motivates them, their habits of mind, learning preferences, the strengths they bring to the classroom, as well as their interests outside of school.

You’re Focused With An Analytical Mind
