

Money Vehicle

How to deliver **Financial Literacy** in Your Class

By utilizing a turn key virtual financial literacy program like Money Vehicle!

In today's education climate, students are in need of a new skill not often taught in school - The ability to handle money!

This subject has become a necessary skill for all students to be better prepared for what life has to throw at them.

Money Vehicle is a financial education company that can deliver in class content and exercises all semester long.

The program walks through the first 10 questions a student will face in finance and delivers not only the answer, but the action to BEGIN a plan.

Money Vehicle Advantage:

- ◆ Mapping to National Standards
- ◆ Hours of entertaining video content
- ◆ Full semester of in-class exercises
- ◆ Integration with native LMS
- ◆ Facilitator Guide & daily lesson plans
- ◆ Student 'Owner's Manual' & guide
- ◆ Character scenarios and projects
- ◆ Resume building certification
- ◆ NFL Alumni & CFP® instructor

Your Students will learn:

- ◆ Automate a cash management system
- ◆ Set-up bank accounts
- ◆ Open a credit card
- ◆ Calculate the time value of money
- ◆ Select their first investment
- ◆ Quantify tax liability
- ◆ Use a Roth IRA

Teacher Training:

- ◆ Curriculum overview
- ◆ Facilitator guide instruction
- ◆ Program implementation
- ◆ Platform integration
