

YouthBiz School Partnership Model

- 🌟 YouthBiz programs are available through a train-the-trainer model for teachers, partners, schools, and districts.
- 🌟 YouthBiz requires a signed license agreement for the duration of program use.
- 🌟 All programming resources, including detailed curriculum, supplemental teaching resources and PPT slides, student workbooks, and all business prototyping/manufacturing materials are included and shipped to teacher/partner.
- 🌟 Program training is conducted virtually to prepare teachers to facilitate program at highest level.
- 🌟 Program fees are based on entire program unit per classroom of students.
- 🌟 YouthBiz StartUp program is \$250 for up to 30 students.
- 🌟 YouthBiz Out of the Box program is \$500 for up to 20 students.
- 🌟 School/partner is responsible for delivering content within agreed upon dates and sending student evaluation data back to YouthBiz team.
- 🌟 YouthBiz is responsible for ensuring timely delivery of program materials, effective teacher training, ongoing program support, program follow-up, and delivery of cash prize for the StartUp program.
- 🌟 Program onboarding can take as little as 2 weeks operates on a rolling basis.
