Quickly & Creatively Innovate Learning in Your School

Buncee for Schools & Districts offers a range of powerful features to help you easily empower your students and create an engaged classroom environment.

Ideas Lab

With thousands of templates and ideas, get access and ideas to our

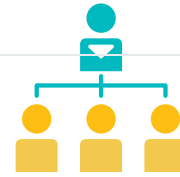

ever growing hub of creative and inspiring Buncee activities.

Share & Engage

Engage within or beyond the classroom with our sharing and discussion

functionalities. [Learn more.](https://blog.buncee.com/s-is-for-sharing-2-an-audience-makes-creation-more-powerful/)
(<https://blog.buncee.com/s-is-for-sharing-2-an-audience-makes-creation-more-powerful/>)

Buncee Boards

Create a board of Buncees around topics to share with your peers.

You'll be able to comment and share reactions to each other's creations too!

Earn Badges

Unlock and earn badges as you create Buncees, complete assignments, engage in discussion, and more! [Learn more.](https://www.buncee.com/blog/buncee-badges-unlock-them-all/)

(<https://www.buncee.com/blog/buncee-badges-unlock-them-all/>)

Assignments Functionality

Send Buncees as assignments. Grade, track and give feedback too!

Virtual Classroom

Create and manage your own classes, personalize instructions, as well as monitor and assess student progress.

Simple Login

Make it easy for young learners to log in by using a combination of pictures. [Learn more.](https://www.buncee.com/blog/new-feature-simple-login-on-buncee/)

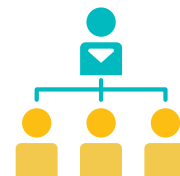

(<https://www.buncee.com/blog/new-feature-simple-login-on-buncee/>)

SIS Sync

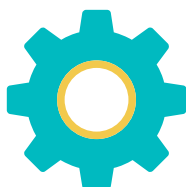

Seamlessly synchronize student rosters and classes with [Google Classroom](https://www.buncee.com/blog/buncee-for-schools-districts-google-classroom-sync/)

(<https://www.buncee.com/blog/buncee-for-schools-districts-google-classroom-sync/>) or [Microsoft Office 365.](https://www.buncee.com/blog/buncee-microsoft-office-365/)
([https://www.buncee.com/blog/buncee-](https://www.buncee.com/blog/buncee-microsoft-office-365/)

User Management

Administrators can monitor user work, and set permissions and privacies schoolwide.

Set Permissions

Administrators have the ability to adjust media access and sharing capabilities for students and teachers.

Custom Ideas Lab

Inspire your classrooms and easily share your school's own personalized Buncee-based ideas and activities

Custom Templates Library

Create your own classroom-ready templates to help your teachers and students get

jump-started

Custom Domain

Your school is in control. Classrooms access their accounts through their school's own private Buncee domain

Custom Media Library

Personalize your school's media and upload your own custom stickers, animations, and images (.jpg, .png, .gif).

Dedicated Training & Support

A dedicated Buncee representative to offer personalized support, as well as access to training from our educator community.

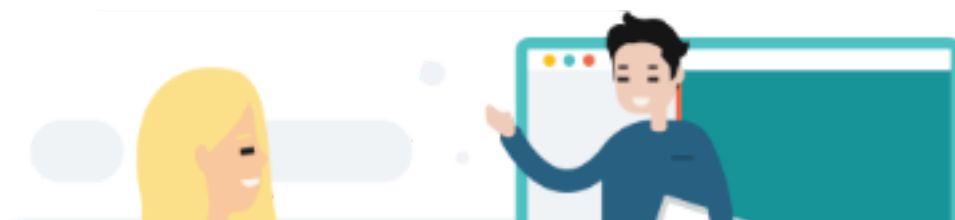

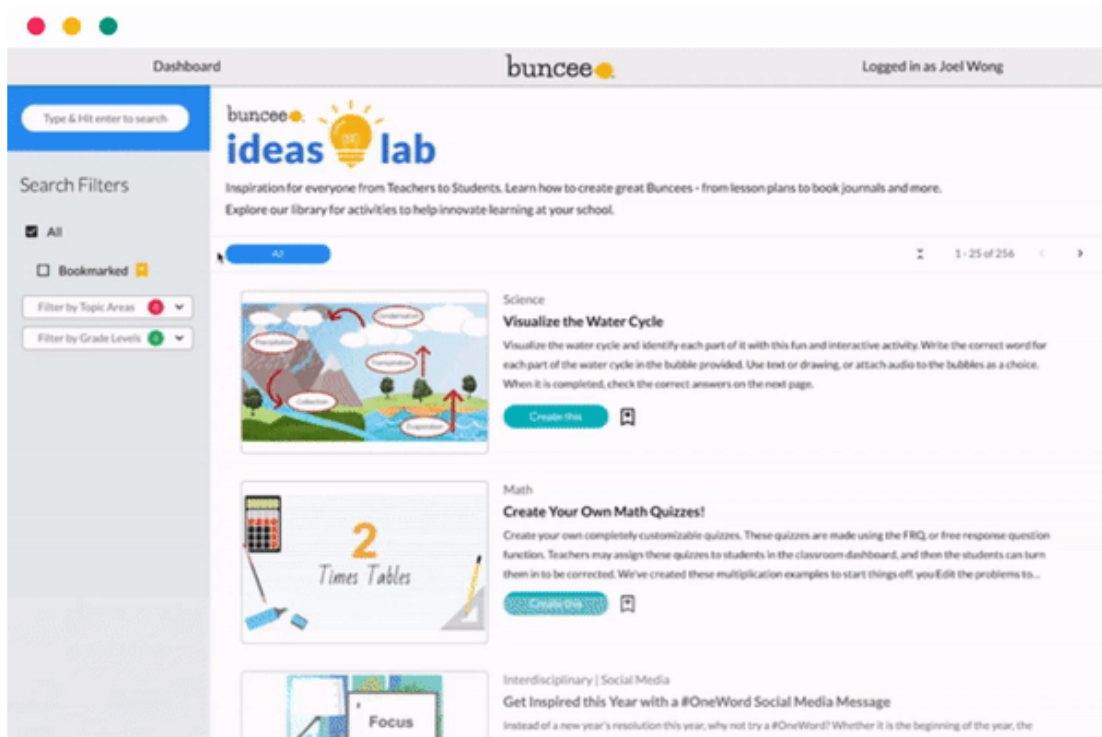

Privacy

Buncee is COPPA and FERPA compliant and is a signatory of the Student Privacy Pledge.

Unlock the Power of Creativity Like Never Before with Buncee Ideas Lab

Featuring a variety of tips, tutorials, and template activities, Ideas Lab, makes it easy for classrooms to innovate learning at school - anytime, anywhere, and for nearly anything. With 1000+ templates, and 300+ ideas to choose from, Ideas Lab will help your school achieve 21st Century Learning objectives with ease.
