

The easy way to differentiate your teaching

Turn boring tests into fun classroom team games. Instantly know who needs help and what they need help with. And effortlessly assign follow-up activities that boost student results.

I'm a teacher →

I'm a student →

How it works

1

Engage your class as you assess their skills

Pick from over 120,000 ready-made quizzes or quickly create your own. Play quizzes as fun team games on the whiteboard – motivating students to answer correctly.

2

Get instant insights in the classroom

Get student feedback you can really use – instantly. Know where to focus your efforts and track each students' progress over time.

Who needs help with World Geography Quiz

Strong

Almost there

Needs help

John

Lucille J. Bauder

Francisco L. Landes

Robert K. Santos

Ashley Rice

Kathleen Jackson

Ramiro L. Obrien

Sara R. Moore

Shirlene Porter

Lois Filer

William Carr

John Devine

Albert M.

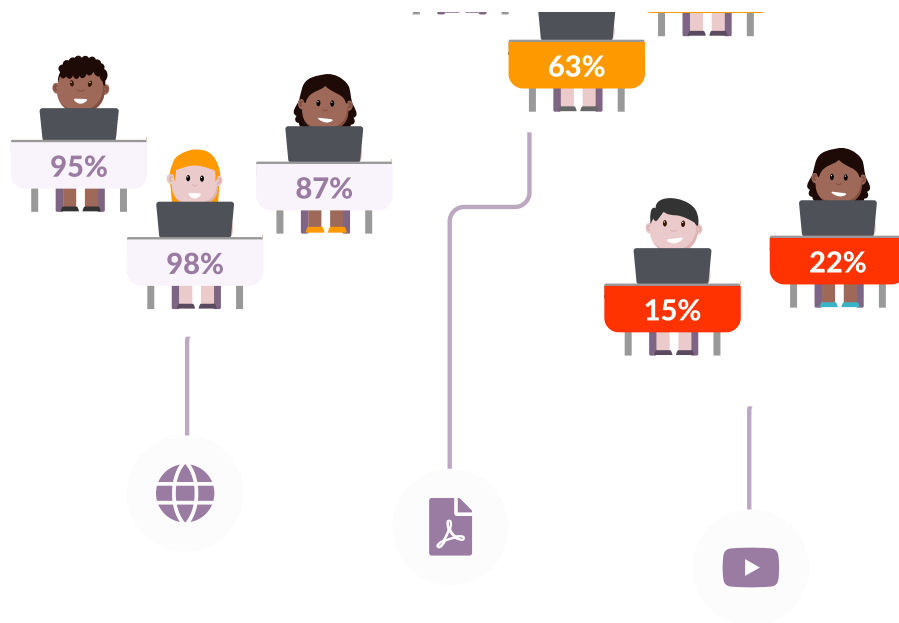

3

NEW!

Effortlessly assign the best follow-up resources.

Automatically provide students with with different support and extension activities after quizzes, depending on their level of understanding. Choose from videos, PDFs and web pages.
