

Join the Next Generation of Differentiated Instruction

[Sign Up For Free](#)

Reach every student in half the time by creating differentiated lesson plans in just minutes.

Tailor-ED

What we do

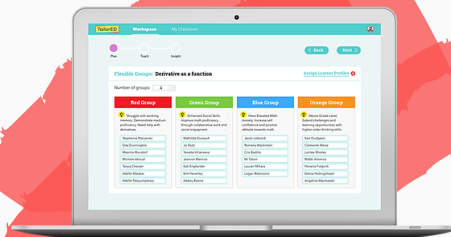

Differentiated Math Lessons with:

- Curated resources at your fingertips.
- Insights beyond proficiency.
- Smart student grouping in seconds.

How it works

Dynamically Group Your Students

Easily group your students by proficiency, confidence, motivation (and more!) for every lesson.

Testimonials

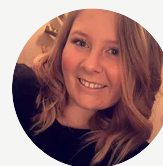

”

Life-changing. After six years of teaching I feel that I am more

”

Tailor-ED has saved me so much time already, I can't wait to see

”

I like how convenient and easy Tailor-ED makes planning and

progress
