

From Our Partners

 schoolrunner.org

"Schoolrunner has served as an amazing source of communication for our entire school team. Our parents are easily aware of behavioral updates, students can track and set goals, and our teachers can easily enter various forms of data. Schoolrunner has been one of the easiest systems to use and implement that has the most profound impact upon communication for our school community."

Dr. Esther Perez, Executive Director & Principal
Valiente College Preparatory Charter School

"At Mission Prep, we use real-time data to track our mastery of our Show What You Knows (SWYKs). Seeing data more frequently helps us adjust our instructional plan to better meet the needs of our Prepsters!"

Kris MacDonald, Executive Director
The Mission Preparatory School

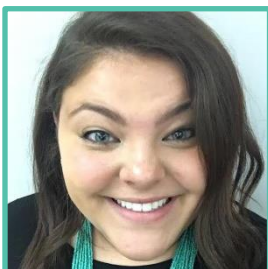

"Life saving! I bring my laptop to meetings to show parents data on behavior, academics, and even communications from anyone in the school!"

Travonda Favorite, Behavior Interventionist
Paul Habans Charter School

"The combination of a quality product and quality people makes Schoolrunner a great product for our school."

Joe Ten Brook, Assistant Principal
Austin Achieve

"Schoolrunner makes my job as a Dean of Students 1,000 times easier. I am able to pull relevant data within minutes. 99% of our kids bought into their academics and behavior due to Schoolrunner data."

Hanna Jadin, Dean of Students
Milwaukee Excellence Charter School

"It is easy to back up what you are saying by showing them data. It gives parents a weekly pulse check on how their student is doing academically and behaviorally."

Juliana Musselman, Student Supports Teacher
Nashville Academy of Computer Science

"The prompt attentiveness in regards to customer support is unmatched by any of our other service vendors. Schoolrunner is always striving to improve our experiences with the site, and that goes a LONG way with teacher investment and positive culture in regards to data management and analysis."

Dominique James, Data Manager
Paul Habans Charter School

"I love having everything in one place, and a way to document everything that is happening with our scholars!"

Christopher Thompson, Director of Intervention
Abramson Sci Academy

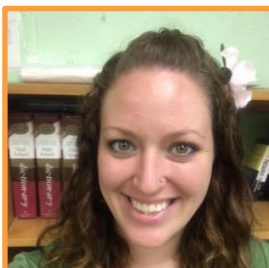

"Simple and easy to use! I save a ton of time entering grades using Schoolrunner!"

Jennifer Snowden, 2nd Grade Teacher
Bricolage Academy

"I recommend Schoolrunner because they share our values and help us be a better organization."

Kathleen Sullivan, Founding School Leader
JeffersonRISE Charter School

"Family access means they are up to date on their student's performance and meetings are solution-oriented versus discussing the problem."

Kelly Murray, Special Education Teacher
RePublic Achievement High School
