## **Implementing SEL Adventures in your school is simple and fun!**

SEL Adventures is an innovative EdTech platform that allows educators to develop Social Emotional Learning content. It helps kids to develop life skills to overcome social-emotional challenges.

## The SEL Adventures model

## Classroom instruction:

50 minutes-long, teacher-led, interactive lessons. Supported by training guides to take you easily through the content.

## Gamified learning experience:

Student engagement, ensured via an interactive combination of reflection and fun.

## Performance SEL tracker:

Administrative reports and features measure and monitor SEL school progress and student achievements.

Our content is aligned under **CASEL's 5 Core competencies:**

Self-awareness

Self-management

Responsible  
decision-making

Relationship  
skills

Social  
awareness

**Impact Initiative: Safer Schools in America**

The initiative "Safer Schools in America Impact Grant" has recognized the value and impact of SEL Adventures platform by inviting us to implement our program in 100 schools across the United States. Through this grant, **GG4L** in partnership with McREL International, will measure student's performance over three years and deliver results every three months.
