Implementation Guide

eLearning Platform

+

Classroom Kits

Implementation Time Table

1. • Nasco receives PO from district

2. • Cloud9World sets district's availability to use the universal screener SECI(Social and Emotional Competency Indicator)

3. • District screens students & chooses strengths by using the C9W universal screener SECI

4. • Cloud9World sets up district via LTI or per site as district chooses with credentials for administrators, teaching staff, students and parents

5. • District names Cloud9World liaison

6. • Classroom pre-packing lists received for every individual school within the district

7. • Cloud9World ships classroom kits via UPS direct to school site

8. • Cloud9World's training department coordinates with district for training rollout

9. • User id and passwords are provided for all teachers who want to take Cloud9World's SEL online course

10. • Progress monitoring report provided by Cloud9World

11. • On a monthly basis Cloud9World's school support staff meets with each individual school via web-based meetings in order to provide support

Classroom Kit Materials and Delivery

Self-control

You show Self-control when...

...you respond with a good attitude when your teacher or your parents correct you.

...you do not interrupt others while they are speaking although you know you have the correct answer.

...you keep your hands and feet to yourself and never ever hit anyone.

...you walk quietly in the hallway.

...you talk calmly to others even if you are irritated or mad.

Beyond the Book...

Leadership

Leaders...
- Show rather than tell to ignite passion in others.
- Inspire others to follow through by modeling determination, commitment, and hard work.
- Position others for success.
- Listen and problem-solve challenges with their teams.
- Inspire trust through demonstrating integrity.
- Keep their teams focused on the goal.
- Are willing to make the first move and have a plan of action to get things started.
- Delegate tasks to others and trust them to be completed.
- Celebrate wins with their team.
- Look ahead.
- Know when to duplicate their team efforts by uplifting the team.

Communication · Mindfulness · Innovation · Curiosity · Resiliency
Ethics · Initiative · Encouragement · Empathy · Leadership

You show Integrity when...

...you always do the right thing, even if no one is looking.

...you can be counted on because you are responsible.

...you respect the thoughts and ideas of others.

...you always do what is best for you and others.

...you never hurt anyone's feelings.

...you always tell the truth.

...you live by your values.
