“This exceptional resource helps site and district leaders develop coherent ways to meet the evolving needs of their own unique education communities. It speaks to the core of what educators everywhere want most: a field-tested and bona-fide process to deliver high-quality programs and services to students and families.”

*-Dr. Jabari Mahiri, faculty director, leadership programs, UC Berkeley Graduate School of Education; Brinton Family Endowed Chair in Urban Teaching*

---

“In her new book, *Leading the Launch*, author Kim Wallace walks you through ten stages to successfully implement a new initiative. She starts with the birth of an idea and takes it all the way through to providing ongoing support for new programs. The book is packed with tools and resources, guiding questions, and real-world scenarios. This is a fantastic book study for any leadership team!”

*-Janel Keating, superintendent, White River School District, WA*

---

“This unrivaled instructional guide captivates from the first sentence to the last... [Kim Wallace] offers strategies to shift your mindset and equip you with robust and innovative tools, resulting in a powerful transformation in practices, policies, and protocols in schools and districts. It is simply a must-read for education professionals!”

*-L. K. Monroe, superintendent, Alameda County Office of Education, CA*
